

FUR MANUFACTURERS SEASON 2019/2020

KOPENHAGEN
FUR

The list of manufacturers can be used to find a potential production partner from the fur industry. The list is organised by country. The information in the list has been supplied directly and voluntarily by the manufacturers and Copenhagen Fur is not affiliated with any of the manufacturers.

KOPENHAGEN FUR

Kopenhagen Fur is the leading player in the international fur trade. The company is anchored in the Danish tradition of high quality, which is part of every aspect of Kopenhagen Fur's activities. Kopenhagen Fur is a cooperative company owned by the Danish mink breeders and is closely involved in every link in the value chain, from breeding mink to selling fur all over the world.

A total of four auctions are held annually at Kopenhagen Fur, where only raw skins are sold. The skins have not yet been dressed or otherwise treated. To learn more about the fur

trade and Kopenhagen Fur, please visit our website: www.kopenhagenfur.com

You are welcome to contact our Customer Department in Denmark at:
